# An Introduction to Model Rocketry

7:00 p.m., May 2, 2017

Springer Cultural Center, 301 N. Randolph, Champaign

Here is your chance to get started in this fun and exciting hobby. This year we will be devoting our May meeting to a workshop on model rocketry. This will be an **Introduction to Model Rocketry**, and is open to anyone. The presentation is free. If you are interested in getting into rocketry or are just curious to see what it's all about, we invite everyone to come to our meetings and launches. Whether you come to fly or just to watch, everyone is welcome.
